Initial sketches while creating 'Gulachi'.

Initial cover page for Gulachi.

# Gulachi

Rengo and Gulachi in a fair.

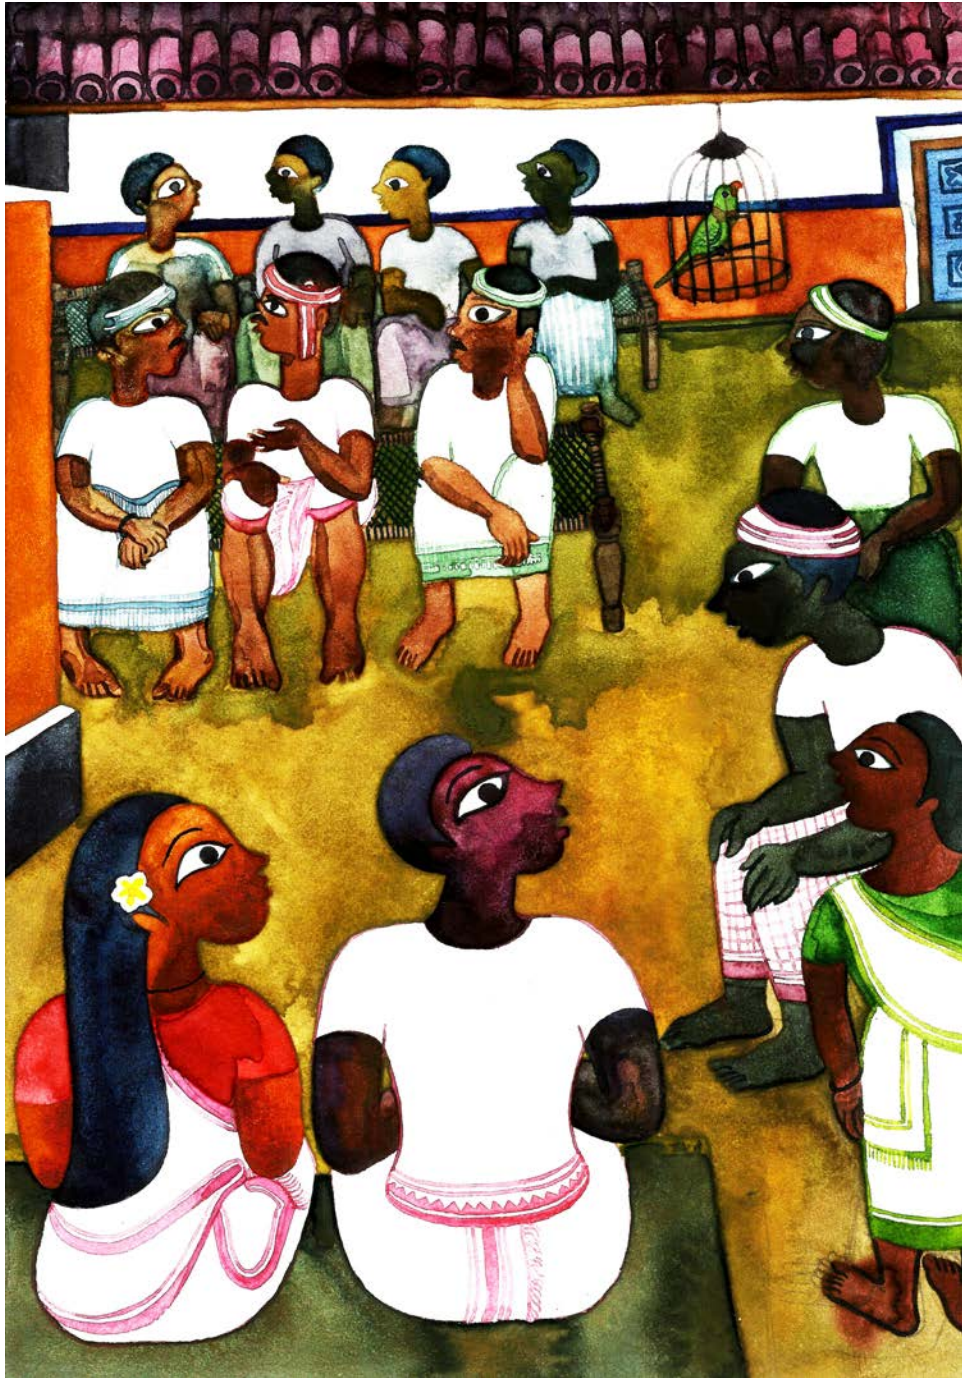

Gulachi left her home.

Gulachi's father died.

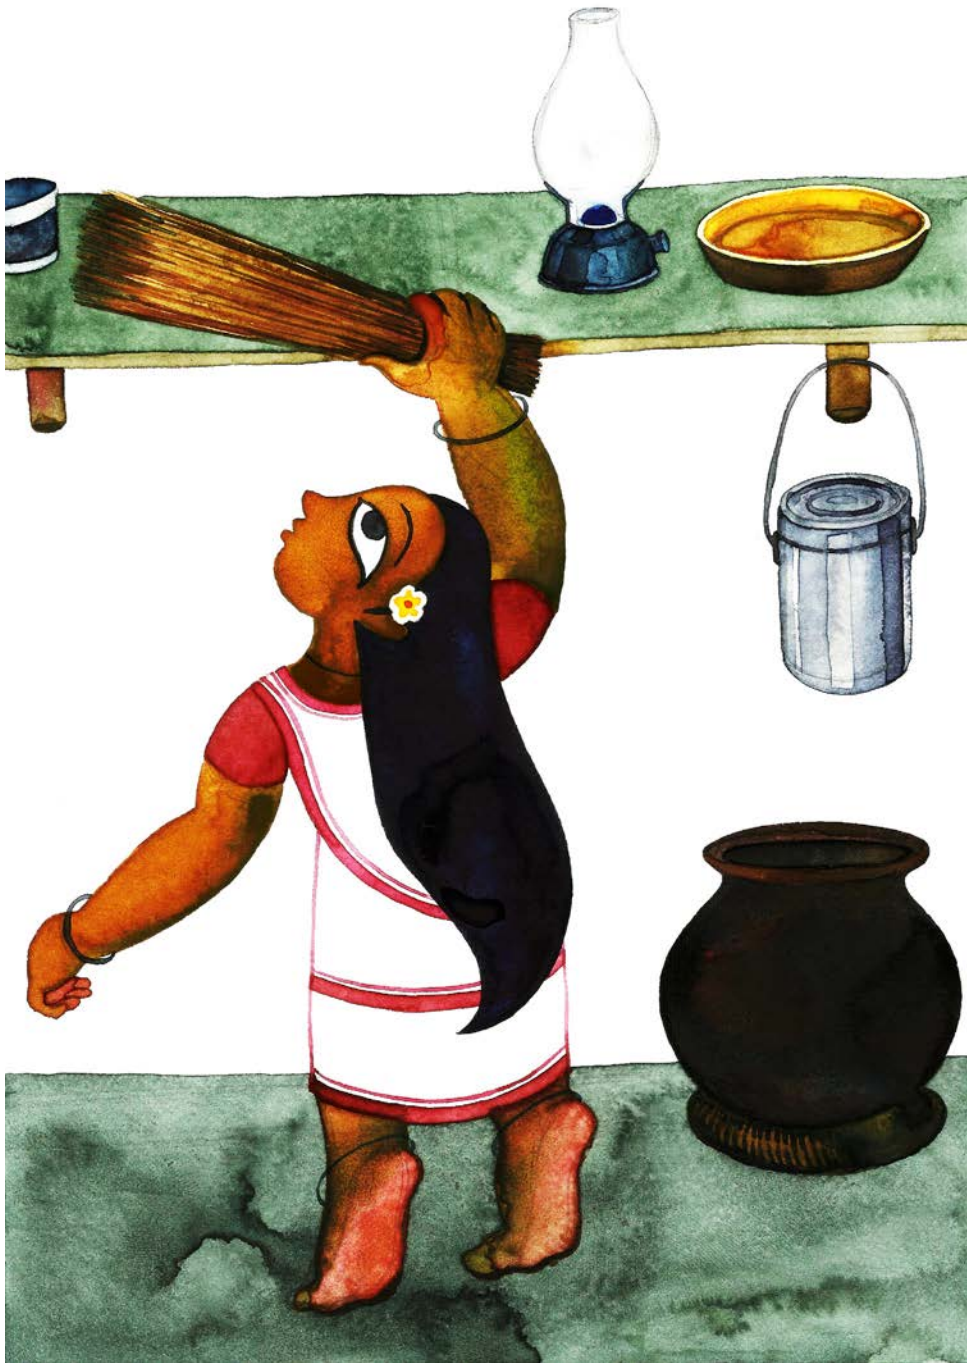

Gulachi's mother weeping.

Gulachi doing her household work.

Gulachi wearing her mother's anklet.

Gulachi plucking a lotus.

Gulachi's mother scolding her.

Gulachi going to the town for work.

Gulachi working on the construction site.

Gulachi and Sirjon working.

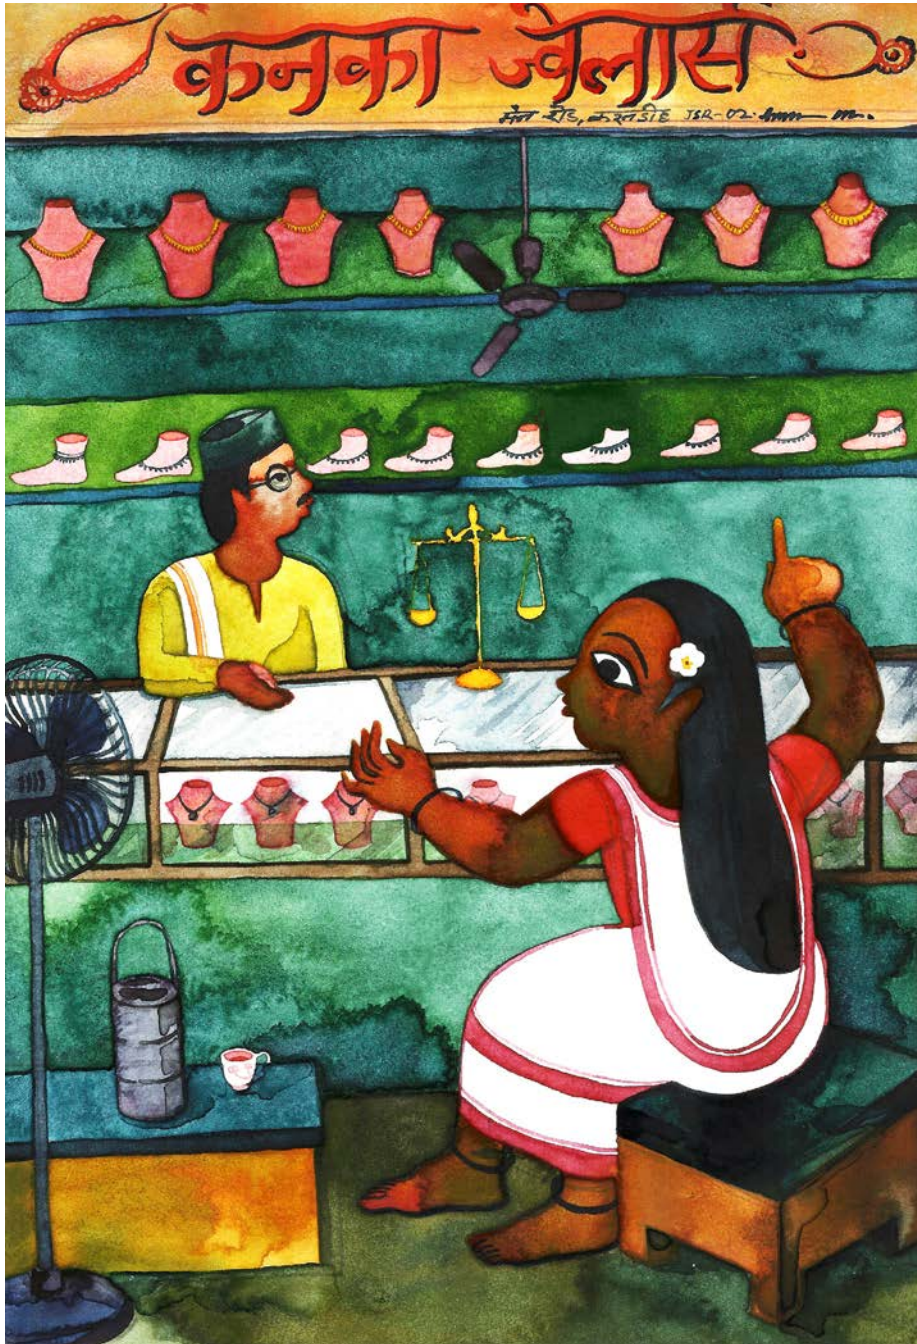

Gulachi fell down from her bicycle.

Gulachi receiving her payment.

Gulachi in the jewelery shop.

Sirjon expressing his love to Gulachi.

Gulachi is a name of a *Pulmeria* flower in a Santali language, and there is a beautiful myth of the origin of pulmeria. They belief that pulmeria is originated from a flesh of the daughter, of a couple who lived in a jungle having seven sons and a girl.

THANKS
