EXERCISE - 1

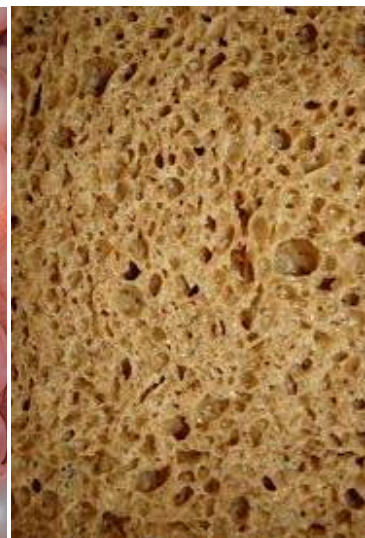

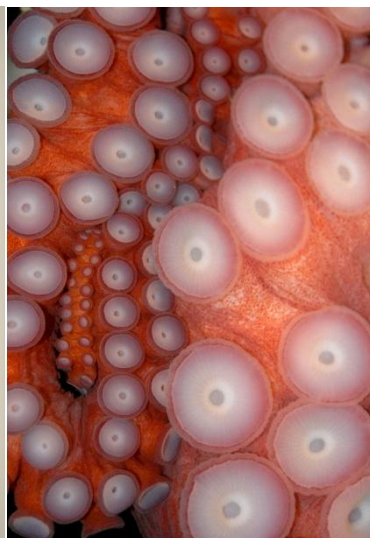

Name 10 different liquids?

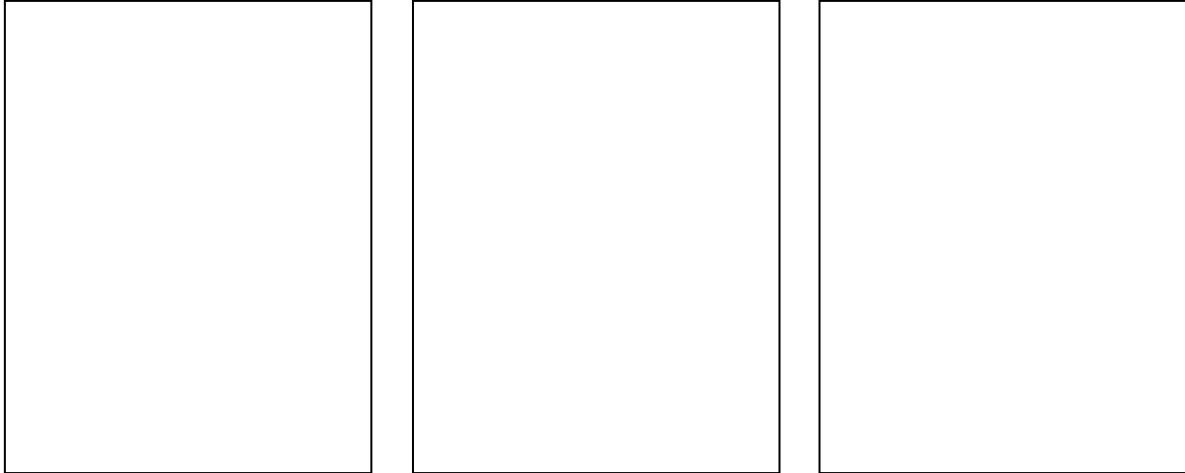

Select any 2 liquids that you have mentioned, and think of how would you create them without using anything liquid. What materials would you use? And why would you use them?

What materials would you use to create the following? (Match the columns)

- | | |
|---------------|------------------|
| 1. Strawberry | Cello tape rolls |
| 2. Flower | Clay |
| 3. Wheels | Paper |
| 4. Hair | Ink |
| 5. Wine | String |

See the following 3 images. Describe each image in 10 words. Also find a totally unrelated image that imparts the same feeling (in terms of look, texture and form)

If you had to recreate the images that have been shown above, how would you do it, with what material and why would you choose that material? Answer separately for each image.

What object can you relate to the word 'shelter'?

If you had to create a long thin line with an object, what object would you use?

If you had to create a thick line with an object, what object would you use?
