Nilesch Kale  
Butterflies of IIT Campus

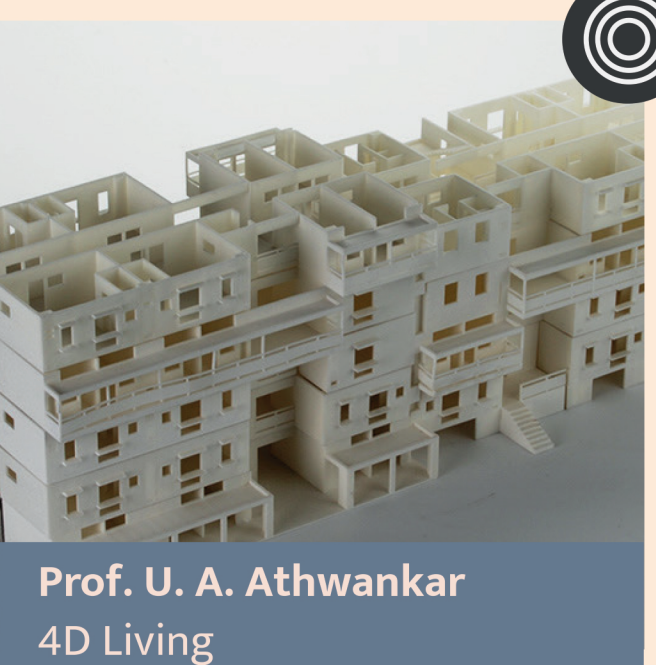

Vikas Sharan  
Information Design on Miming

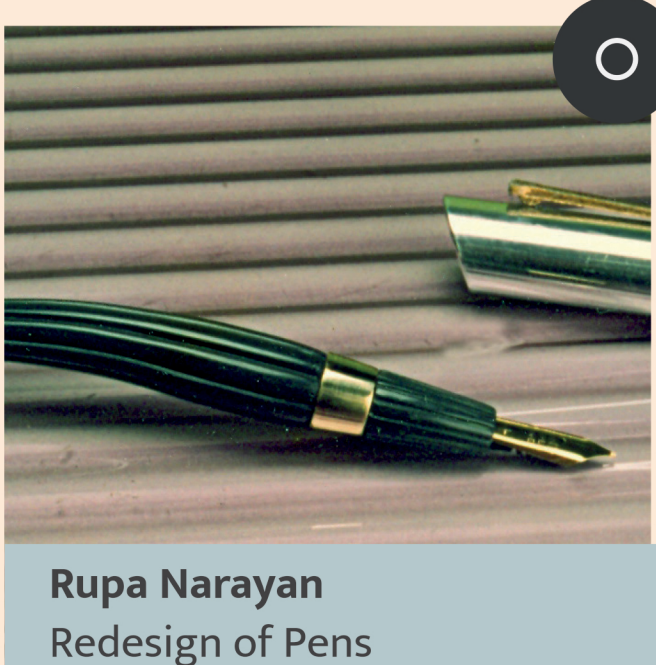

Sandeep Datar  
Garbage Collection System

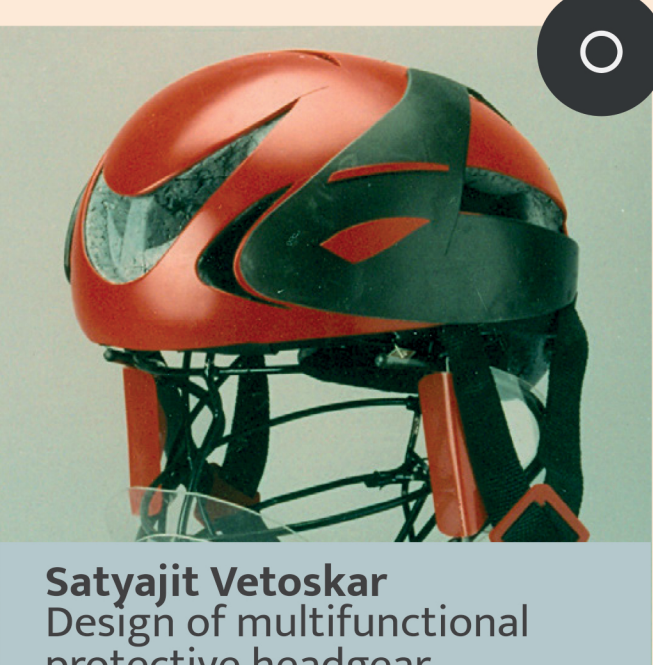

Sandeep Karyakarte  
Domestic Chapati Maker

Prof. U. A. Athwankar  
4D Living

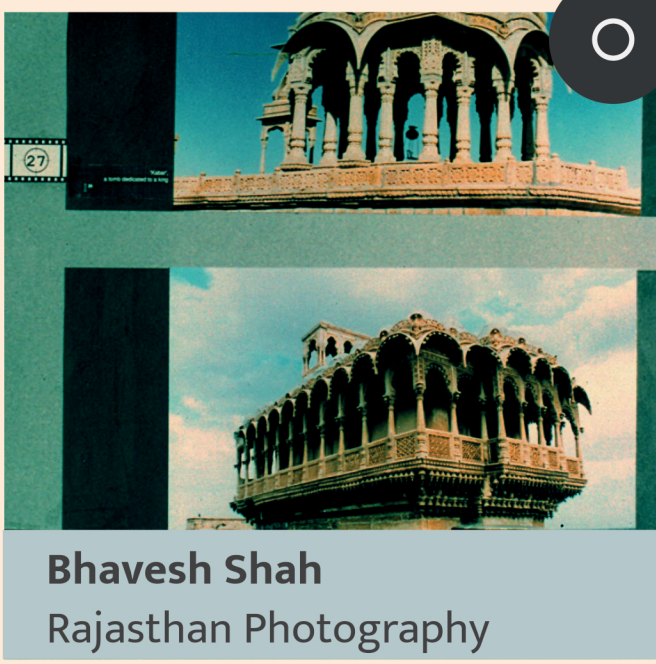

Rupa Narayan  
Redesign of Pens

Satyajit Vetoskar  
Design of multifunctional protective headgear

Apurva Joshi  
Waste Minimization

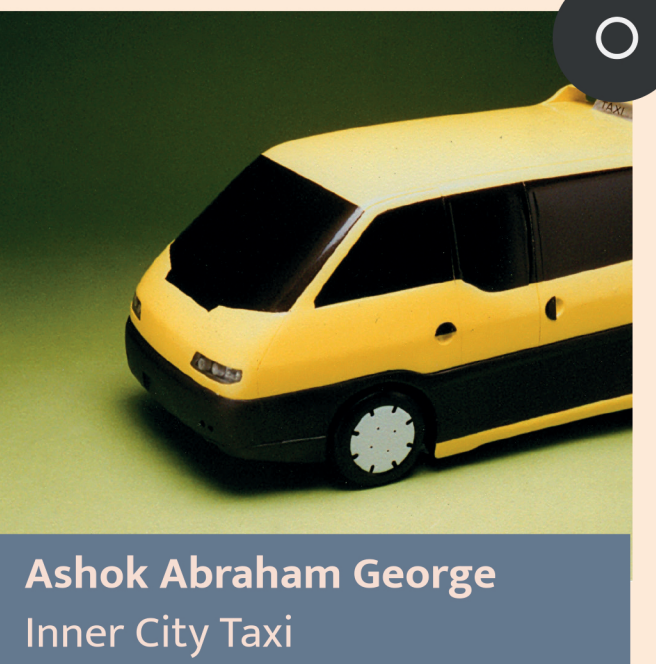

Bhavesh Shah  
Rajasthan Photography

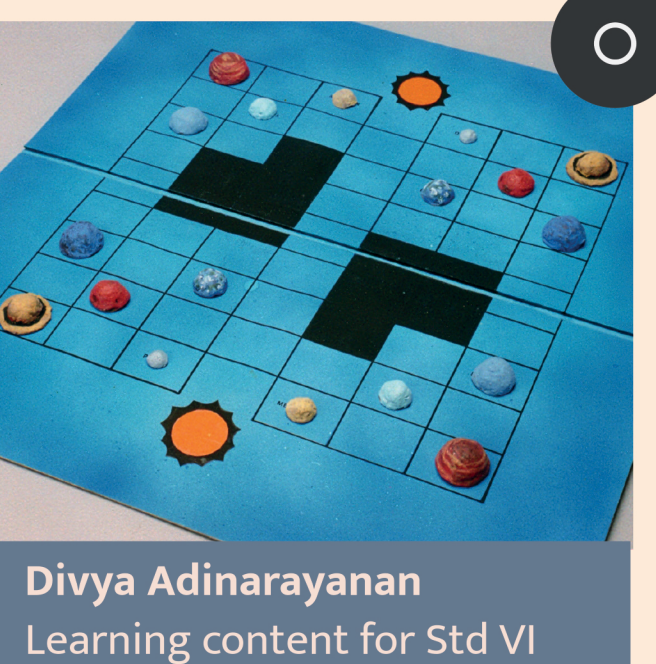

Prof. B. K. Chakravarthy  
Letterbox

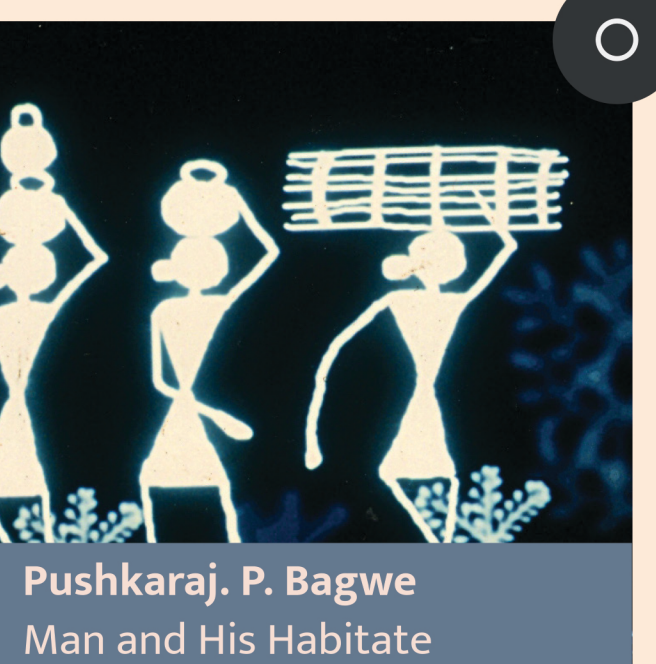

Chandrashekhra M Wyawahare  
Exterior of Executive Bus

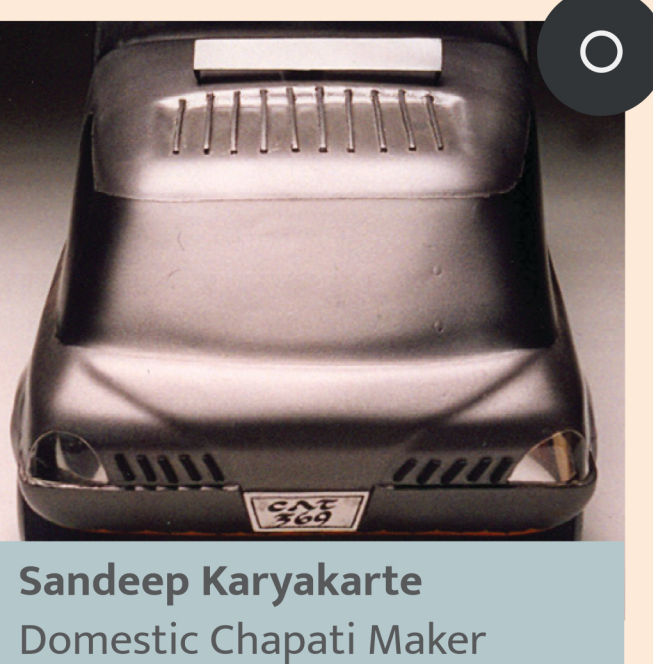

Ashok Abraham George  
Inner City Taxi

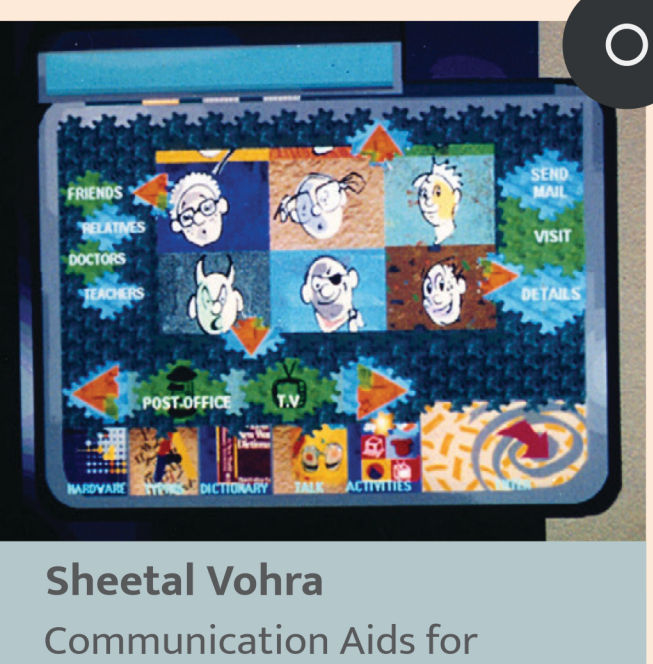

Divya Adinarayanan  
Learning content for Std VI

Pushkaraj. P. Bagwe  
Man and His Habitate

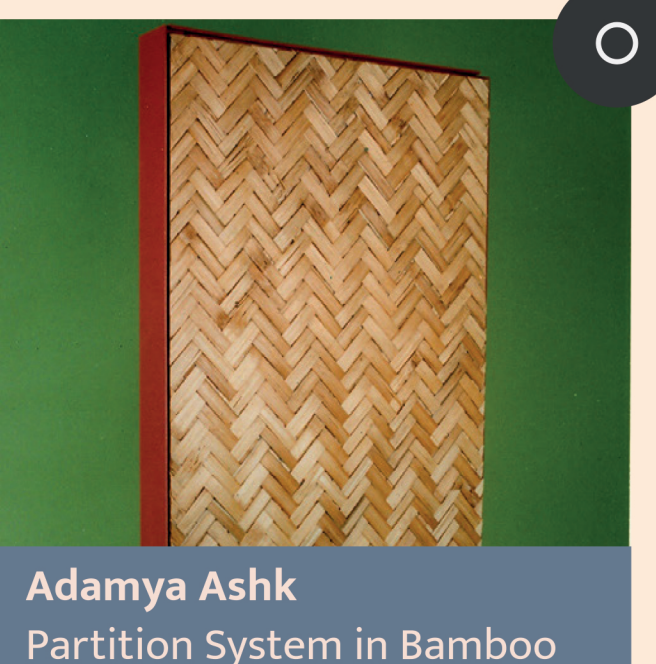

Sandeep Karyakarte  
Domestic Chapati Maker

Sheetal Vohra  
Communication Aids for Spastics

Adamyashk  
Partition System in Bamboo

Narendra Ghate  
Design of Particle Analyser

Prasanna Kulkarni  
Film on Street Children

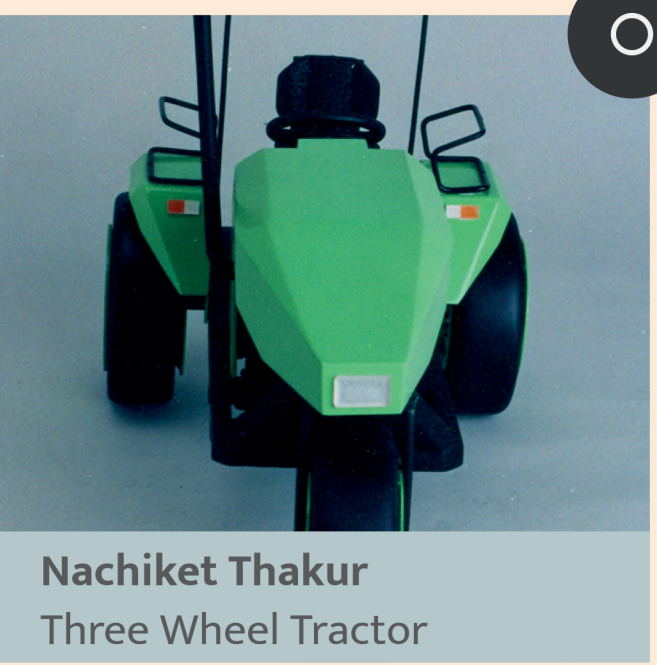

Parag Trivedi  
Design of Digital Camera

Pradeep Joseph  
Re design of accessories for Keyboard

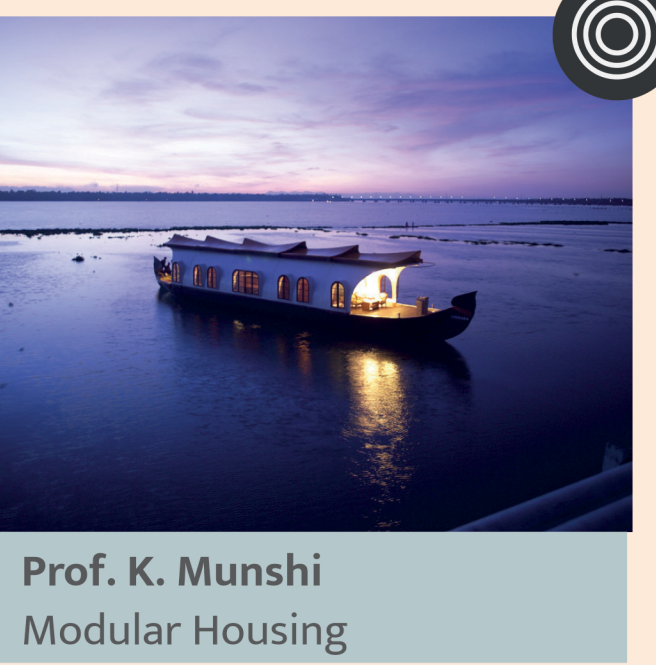

Utkarsh. S  
Mobile shelter for Construction site Workers

Nachiket Thakur  
Three Wheel Tractor

Prasad Bartakke  
Interactive India

Prof. K. Munshi  
Modular Housing

## Faculty

Prof. S. Nadkarni  
Prof. U. A. Athavankar  
Prof. A. G. Rao  
Prof. R. K. Joshi  
Prof. K. Munshi  
Prof. K.K. Trivedi  
Prof. V.P.Bapat  
Prof. G.G.Ray  
Prof. Nachiketa Sadhu  
Prof. B.A.Ravi Poovaliah  
Prof. Ravi Hazra  
Prof. Aniruddha Joshi

## New Faculty

Prof. Aniruddha Joshi

## Seminars, Workshops & Conferences

94 International Seminar on Design Education 'Ulm and After'

97 Terra-cotta Workshop by Mrs Vimala Jain | Stained Glass Workshop by Ms. Vanamala Jain | Exploration of Calligraphy (Akalani)

98 Visual Communication Design as a Marketing Tool | Creative Engineering Design

|                    |              |                     |                 |             |                |                               |                 |                     |                   |                 |                       |                      |                  |               |                    |                 |              |               |                   |                  |               |                   |              |                      |                  |                      |                    |                |                           |                  |                |                |                    |                     |                |                      |                 |             |               |            |                    |                   |               |               |               |                |                                    |                       |                    |             |                     |                 |                   |                    |                 |                   |                  |                     |              |              |                  |                   |                    |             |                    |                   |               |                  |               |                  |              |                     |                 |              |                 |                   |             |                 |                 |               |                     |                |             |                 |                |                    |                 |               |             |                 |                 |                    |                  |               |                |               |                 |               |              |                   |                  |                   |                     |                 |                |                 |             |          |              |               |              |                  |               |                 |                     |               |               |                 |                |                  |
