Inability

STATICS

India counts herself as 3rd after Bangladesh and Cambodia.

Bangladesh 3000 since 1999

Cambodia 216 1985-2009

India 74 cases reported till 2000

27 till 2010

153 2002-2010

Jan 2002-Oct 2010 -153 (Karnataka leading the toll as 99 herself)

After 2011- present crime rate rising

72% were women

Pakistan reported 150 till 2011

THIS CRIME HAS HISTORY
&
MYTHOLOGY BEHIND

LAW

Under the section of IPC 326A the penalty to the accused is more stringent as not less than 10 years of imprisonment and compensation is raised from 3-10 lakhs.

Under poison act 1919, now sale of acid is stricter, it can't be sold without valid Id proof and to the person less than 18 years of age. Acid is now considered as poison.

Criminal Injuries Compensation Act
