Scheduling the Vaccines

- Core
- Non Core
- Deadline
- Doses
- Dose interval
- Priority

The image shows a mobile application interface for scheduling vaccines. At the top, there is a navigation bar with a home icon, a plus icon, and a back icon. Below this, a header section displays a dog icon and the name 'Shiro' with the text '1 months, 10 days'. The main content is a table with two columns: 'Core' and 'Non Core'. The table lists various vaccines with their respective deadlines and dose information. At the bottom, there is a navigation bar with icons for a syringe, a plus sign, a location pin, and a menu.
